

# Litter Less lesson plans for home-schooling – Eco-Schools

<https://www.ecoschools.global/lesson-plans-for-teachers>

## 1. Earth Cycle of Resources

[Before you Begin](#)

[9-12 Years - Cycles in Nature](#)

[9-12 Years - Cross Country Decomposers](#)

[13-16 Years - Nature Walk](#)

Lesson plan can be conducted online. The Nature Walk might not be allowed in some countries.

## 2. Waste Management

[Before you Begin](#)

[9-12 Years - Understanding Waste](#)

[13-16 Years - Household Waste Survey](#)

Lesson plan can be conducted online.

## 4. Packaging

[Before you Begin](#)

[6-8 Years - Understanding Packaging](#)

[13-16 Years - Smart Shopping Choices](#)

Lesson plan can be conducted online.

## 5. Sustainable Consumption

[Before you Begin](#)

[13-16 Years - Consumption and Needlessness](#)

[13-16 Years - Countdown](#)

Lesson plan can be conducted online.

## 6. Learning to be an Environmental Journalist

[Before you Begin](#)

Here the other lesson plans can be replaced by students making and sharing videos about how to reduce, re-use and recycle their household waste. The time in quarantine can be used to go through un-used items at home (including storage rooms) together with family.

## 7. Hazardous Waste

[Before you Begin](#)

[9-12 Years - Household Hazard](#)

Lesson plan can be conducted online.

## **8. Sustainability and Waste**

[Before you Begin](#)

[13-16 Years - Life Cycle Analysis](#)

[13-16 Years - Plastics](#)

Lesson plan can be conducted online.

## **9. Marine Waste**

[Before you Begin](#)

[9-12 Years - Marine Pollution - Classroom Demonstration](#)

[13-16 Years - Create your Marine Pollution Fact File](#)

[13-16 Years - Micro-Solutions to Micro-Plastics](#)

Lesson plan can be conducted online.

## **10. E-Waste**

[Before you Begin](#)

[13-16 Years - E-waste - A Resource?](#)

Lesson plan can be conducted online.

## **11. Global Treaties**

[Before you Begin](#)

[13-16 Years - Waste and Law](#)

Lesson plan can be conducted online.

## **12. What is Waste**

[Before you Begin](#)

[6-8 Years: Segregate waste at Source](#)

Lesson plan can be conducted online.

## **13. Litter**

[Before you Begin](#)

[6-8 Years: Litter Scavenger Hunt](#)

[6-8 Years: Litter... Why does it Matter?](#)

[6-8 Years: Classroom session by Our Incredible caretakers](#)

Can be a good introduction to the subject but can't be taken online without some modifications (requires observations outside which can be important for young students).

## **14. Decomposition**

[Before you Begin](#)

[6-8 Years: Where Did My Stuff Go?](#)

[6-8 Years: Compost in a bucket](#)

All the lesson plan can be conducted online.

## **15. Refuse, Reduce, Reuse, Recycle and Repair**

[Before you Begin](#)

[7-8 Years: Consumption – Reduce, Reuse & Refuse](#)

[7-8 Years: Recyclingo!](#)

[6-8 Years: Recycling is music to my ears!](#)

All the lesson plan can be conducted online.
